

Hi Dance Families,

We are at that time of year again — it's time to start organizing our **Opening Number!** 🎉

For families who are new to the studio, the Opening Number is **optional** and is an additional opportunity for dancers to perform on stage. This routine opens our show at all three recitals.

Because we have three shows, there are **two versions** of the Opening Number:

- **Full version:** includes both recreational and competitive dancers
- **Competitive-only version:** recreational dancers are not included

Recreational dancers who sign up will perform in the full version and are expected to perform in:

- **Saturday Show #1**
- **Sunday Show #2**

Recreational dancers **will not** be involved in the competitive-only show.
